A TERRIFIC YEAR

On behalf of the entire Niagara College community, I would like to take this opportunity to congratulate the Niagara College Knights on one of the most successful seasons in the history of Niagara College.

Our student-athletes represent Niagara College on the local, provincial, and national stage, and serve as a tremendous source of campus and community pride. The 2014-15 season serves as a new benchmark for athletic excellence at Niagara College, and each of our student-athletes should be proud of their accomplishments this season.

This year our varsity teams captured three provincial medals, a CCAA bronze medal, and a CCAA National Championship. Golfer Lorelle Weavers captured Niagara College's seventh National Championship, and our women's volleyball program earned an OCAA bronze medal. The men's volleyball program brought home a CCAA bronze medal, the first ever National medal for an NC two-semester sport, and captured the 2015 OCAA Championship. These are tremendous accomplishments, and I extend my sincere congratulations to all of our Knights.

I am proud of all our student-athletes who dedicated significant time and made personal sacrifices to proudly represent Niagara College. There is more to being involved in sports than the final results. It is learning to be dedicated to something you enjoy doing, persevere when things may not go your way and learning how to be a good and supportive teammate. These important life lessons are learned at early morning practices, team meetings and in competition.

A successful year was made possible by the hard work and support of our Athletics and Recreation staff, dedicated coaches, fans, and sponsors. Your contributions allow Niagara College to provide an unrivaled student-athlete experience. Congratulations to everyone on a fantastic season, and best wishes in all of your future endeavors.

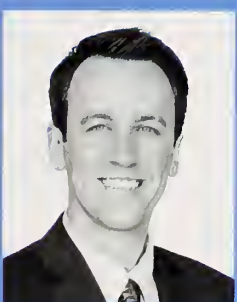

*Dan Patterson,
President*

The 2014-2015 Varsity Athletics year serves as a tremendous source of pride for our student-athletes, coaches, fans, and staff. Our Knights excelled this year in both academics and athletics, a hard-earned and truly exceptional accomplishment. Sixteen NC Knights continued our tradition of academic excellence by earning the CCAA National Scholar Award. We also celebrated seven Knights who were named Academic All-Canadians. For the third consecutive year, an NC student-athlete was named a CCAA All-Canadian, marking just the eighth time in College history that a Niagara College Knight has earned the accolade.

I would like to offer a sincere thank you to everyone associated with Niagara College Athletics and Recreation. Our players, coaches, volunteers, fans, and our team of professional, student, and varsity staff have all played a key role in what has truly been a remarkable 2014-15 season.

*Rick Anderson
Acting Vice-President, Student Affairs*

What a terrific year for the Niagara College Knights. Our entire team of staff, coaches, and students were relentless in their pursuit of continuing to evolve our high performance culture. 2014-15 saw a lot of growth in every aspect of Athletics & Recreation. Our #knightslife program helped engage students across all of our campuses in intramurals, extramurals, fitness classes, facility usage, and intercollege events. We launched a new website that allows us to share all of our student success stories with the entire Niagara College community. Our Student-Athlete Leadership Team (SALT) started the Chivalry Program, organizing several student-led events that gave back to the community. We also launched a series of showcase all-star games, where the best high school athletes in the region had an opportunity to display their tremendous talent.

Our student-athletes also represented the College with pride, both in the classroom and in their respective sports. This season saw us earn 14 OCAA all-stars, an OCAA rookie of the year, a CCAA All-Canadian, and terrific runs in the postseason. Our high performance culture was on full display, with 8/9 of our teams entering the postseason.

None of this would be possible without the continued support from our students, faculty, staff, alumni, and community. Thank you again for helping the Knights Family build toward National prominence.

*Matthew Davis,
Director, Athletics & Recreation*

DIANE VANDENHOVEN-KING

Induction: Class of 2015

Category: Athlete, Volleyball (1997-2001)

While at Niagara College, Diane VandenHoven-King developed into an outstanding team player. With her leadership and experience she helped develop the Niagara Knights women's volleyball program into a perennial OCAA contender. A goal-oriented student-athlete, Diane's determination allowed her to improve her overall game and leadership skills. Amongst her accomplishments, she led her team in every offensive category and finished third in the OCAA Western Region scoring race in her final season. Diane also accumulated a total of 337 points in her four years with the Knights, and was twice an OCAA All-Star (1999-2000 and 2000-2001). Additionally, she was presented with the Niagara Knights Athlete of Distinction award in 1999, and was a recipient of the Niagara College Knights Award of Excellence. Diane was bestowed with Niagara College's Female Athlete of the Year Award in 1999-2000 and in 2000-2001. Diane VandenHoven-King graduated from the Social Service Worker program in 2000 and the Event Management program in 2001.

MAXIME BARRE

Induction: Class of 2015

Category: Athlete, Golf (2000-2003)

Maxime Barre came to the Niagara College varsity golf team at a time when the program was struggling to compete in the OCAA. In the three years he was a member of the Knights, the program quickly rose to OCAA and CCAA prominence. He helped lead the team to an OCAA bronze in 2000, and in 2001 improved to an OCAA silver medal finish with a combined score of 612. Maxime and the Knights returned to the podium with a second OCAA silver medal in 2002 and finished in sixth place at the program's first national championship appearance. His individual accomplishments include an OCAA bronze in 2001, and a CCAA silver medal in his final season, just two strokes short of the gold medal winner. Maxime was twice named the team's most valuable player, received the Knights Athlete of Distinction award, and was an OCAA Championship All-Star. Maxime was an outstanding team leader who led by example and was always a gentleman on the golf course. He was a joy to watch while playing the game and was highly respected by his peers. Maxime Barre graduated from the Professional Golf Management program in 2003.

KAITLYN MCKENNA

Induction: Class of 2015

Category: Athlete, Basketball (2005-2008 & 2009-2011)

Kaitlyn finished her career as the Knights all-time leading scorer with 970 points, and in third place on the OCAA All-Time Scoring list. She was named an OCAA Western Region first-team all-star in four seasons, and a second-team all-star in another. In 2007-2008, Kaitlyn became the first Niagara College female athlete to be selected as a CCAA All-Canadian. Her additional honours include being named Niagara College Female Rookie of the Year, OCAA West Region Rookie of the Year, an OCAA All-Academic, and a CCAA Academic All-Canadian. JOHN CLARK

Induction: Class of 2015

Category: Builder

At a time when all of the Niagara College intercollegiate athletics programs were struggling to recruit elite student-athlete talent, a corporate advertising program was introduced by the college administrative team. The program allowed the department of athletics and recreation to generate revenue for athletic/academic scholarships via corporate billboard advertising from local and provincial companies. Since the inception of the program, the Niagara College Knights have had one community member who has been a consistent and generous supporter. John Clark, the Owner-Operator of M.T. Bellies Tap and Grillhouse, has financially supported the student-athletes of Niagara College for more than seventeen years. To this day John Clark remains a loyal supporter and close friend of the Niagara College Knights.
